

## 1. Majesty

Now the time has come for to leave this land  
Take my charge with pride sacrifice

Oooh

Lead: Andre

Running and hiding I'm left for the time  
To bring back the order of devine  
Hunted by goblins no Gandalf to help  
With swords in the night  
Oh the last part of the game  
Decision of death and life  
Blood for Sauron they'll call tonight  
The final battle cry

Lead: Andre

Running and hiding I'm left for the time  
To bring back the order of devine  
There exist no tales and hobbits are crying  
For all  
Children of death

Lead: Andre

I have a dream  
The things you've to hide for  
Deliver  
Our kingdom and our reich  
Don't fall in panic  
Just give me the thing  
That I need or I kill  
Don't run away  
For what have I done

Refrain:

Oooh Majesty  
Your kingdom is lost  
And you will leave us behind  
Oooh Majesty  
Your kingdom is lost  
And ruins remind of your time  
Now come back

Solo: Andre

Refrain:

Oooh Majesty  
Your kingdom is lost  
And you will leave us behind  
Oooh Majesty  
Your kingdom is lost  
And ruins remind of your time  
Run, run, run

Cries

Cries in a dark land  
Hear the voice it's cold as ice  
Eyes  
They are watching  
They look for me but cannot find

Creature is following no place to escape  
My last steps will find the right way  
Where is the future the call of the blind  
Cause there is none to find  
Watch the sky you see no light  
My weapons burst with fear  
With the howling wolves the nazgul will die  
For all  
Children of death

Lead: Andre

Cries

Cries in a dark land

Hear the voice it's cold as ice  
Eyes  
They are watching  
They look for me but cannot find  
Run  
Run for the whole world  
It's time you cannot wait  
Lost  
Lost in a dark world  
You feel the strange but cannot see

Too many battles we carry along from the war  
And too many frightens we feel from his law  
For so many victories we're praising so strong  
For so many blood we've lost

Lead: Andre

Refrain:

Oooh Majesty  
Your kingdom is lost  
And you will leave us behind

### 4. Wizard's Crown

Years ago I came back  
This has been my hardest attack  
A burning fire's in my brain  
I could feel the deadly flame

Tales of the magic in my head  
To a dark dream I fall in my mind  
I hold the key of fortune

To feel the strange thing's in my mind  
The stone of Amber I must find  
I'll take the chance that day

Refrain:

Halloween - The wizard's crown I'll take - on  
Halloween  
Halloween - But there is no return - on  
Halloween

Lead: Andre

I'm the servant of the Blind to cross the realms of death  
The gate is open wide you cannot close

His dungeons deep no place to hide  
The times have changed he has to fight  
In magic spell I fall

Illusions falling to my mind  
But where's the key I cannot find  
The ritual has begun

Halloween  
Halloween - But there is no return - on  
Halloween

### 5. Run for the Night

There comes the last part and end of our old age  
With thunder and lightning the dark lord is taking  
The crown of the whole world

His creatures will kill me poisons my soul  
To the end I will fight but I know that the things  
That I do are so meaningless - oh, no !

I see the hill but it's so far away I know I can't reach it  
But I try it again and again in my dark dreams  
He's wasting my last will how long can I stay here  
When the mightiest of all will now

Refrain:

Run for the Night burn away  
The times of his fall I've to pay

Visions of darkness prepared for the last strike  
Bloodlust their weapons and madness you see feel their  
Eyes there's no way out  
I'm lost in a dark dream and losing control  
To the end I will fight but I know that the things  
That I do are so meaningless - oh, no

I see the hill but it's so far away I know I can't reach it  
But try it again and again in my dark dreams  
He's wasting my last will how long can I stay here  
When the mightiest of all will now

Refrain:

Run for the Night burn away  
The times of his fall I've to pay

You see them running in the shadows of the night  
It is not what it used to be  
They've been scared and they've been anxiously tonight  
You see them running with the wind

They

Run for the night  
Run for the night

Can't believe the things I see  
That happens in the state  
By a mortal distance that I can't believe

Self destructive infernal  
To save us from the breed  
But I know that it is all a lie

Star wars begin now  
His bombs come exploding  
To bring back the death of the night

How strong he must show us

Or you have to die  
Believe what I do is the right

Lead: Andre

Soon Armageddon  
Last hours are running now  
The final solution begins

The words of a madman  
No children to tell them  
For what they will not see the light

Choose by your voice  
He kills and destroys  
At the end you must die for the night

In earlier chess games we're playing the part of a soldier  
But now we are not qualified to save our own life

The traps are all placed by command they are ready to strike, yeah  
We live and we will die by the lies, a lies to believe

With hands full of blood  
He talks about peace  
With snake poisoning tongue

You kill with a laughter  
Your screams of peace are wrong and loud  
Cause so we are and here we are

Your laughing about all the fools

Scream and shout !

With power of evil they stand
