Downloaded from www.bardslog.com

1. Scream Aim Fire

Kill your enemies,
My brothers dead around me,
Wounds are hurting
Death is creeping for me,
Smoke is blinding
Hearts are pounding
Chaos soon ignites
The call is made
It's one for all
Will I meet thy maker

[x3]
Over The Top Over The Top
Right Now It's Killing Time

The Only Way Out Is To Die

[x2]
God Has Spoken Through His Conscience
As I scream aim and fire
The death toll grows higher

Fuck this battlefield,
The bullets shatter round me,
Bodies falling,
Voices calling for me,
Limbs are flying,
Men are crying,
Such a hurtful sight,
The call is made,
It's one for all
Take no prisoners

[x3]
Over The Top Over The Top
Right Now It's Killing Time

The Only Way Out Is To Die

[x2]
God Has Spoken Through His Conscience
As I scream aim and fire
The death toll grows higher

[x2]
SCREAM!!
AIM!!
FIRE!!!

[Solo]

[x3]
Over The Top Over The Top
Right Now It's Killing Time

The Only Way Out Is To Die

[x2]
God Has Spoken Through His Conscience
As I scream aim and fire
The death toll grows higher

[Shotgun Cocks]

SCREAM!!
AIM!!
FIRE!!!

2. Eye Of The Storm

[Verse 1:]
Can you hear the thunder?
can you feel the raining force?
Nail down all your windows
and barricade the doors!
mother nature's fury takes you by the hand
showing all but mercy!
wrecking death upon the land

[Chorus:]
Go!
Caught in the eye of the storm
did the heaven just open and fall?
We are caught in the eye of the storm
all that's left are just bodies to mourn

Can you see the lightning?
Can you feel the winded source?
Pack up your belongings, let chaos take control
(take control!)
Mother nature's fury takes you by the hand
Rip this world to pieces
Bid farewell to all you know

[Chorus]

Yeah!

[x3]
Caught in the eye of the storm

[Repeat verse 1]

[Chorus]

To mourn!

3. Hearts Burst Into Fire

I'm coming home
I've been gone for far too long
Do you remember me at all?
I'm leaving
Have I fucked things up again?
I'm dreaming
too much time without you spent

[Chorus:]
it hurts!
Wounds so sore!
now I'm torn
now I'm torn
I've been far away
when I see your face
my hearts burst into fire
hearts burst into fire

you're not alone
I know I'm far from home
do you remember me at all?
I'm leaving
do you wait for me again?
I'm screaming
No more days that I just spent

[Chorus]

My bed's so cold, so lonely
No arms just sheets to hold me
has this world stop turning?
Are we forever to be apart?
...Forever to be apart...

[Chorus]

I'm coming home
I've been gone for too long
I'm coming
do you remember me at all?

do you remember me at all?
I'm leaving
I'm screaming
I'm dreaming

HEARTS BURST IN TO FIRE [screamed]

4. Waking The Demon

Oh!
2, 3, 4!

[Verse 1:]
Helpless!
My eyes are bleeding from the fear that's inside!
You sealed your demise when you took what was mine
Don't try to stop me from avenging this world!
No voice to be heard

[Chorus:]
Waking the demon!
Where'd you run to?
Walking in shadows!
Watch the blood flow!
There's not much longer, so don't try and hide,
Your bodies weakening, walk to the light
Those painful times so alone, so ashamed
I'm not coming back, there's nothing to gain

[Verse 2:]
Caution!
There's just no limit to the boundaries you push
I've warned you but still you just fuck with my mind
There's no escape from this rage that I feel
Nothing is real

[Chorus]

[Bridge (x2):]
Breathe for me
Don't wake me from this slumber
Stay with me
Possession Taking over

[Guitar solo]

[Bridge x2]

5. Disappear

Once again the same thing's on your mind!
Increasing pulse for what goes on inside
Will you pay for what you've done?!
Hatred!
Payback's such a bitch, and vengeance haunts you!

[Chorus:]
So Once More Tough Guy Why The Tears?
You draw me to this and now you disappear
[x2]
Now all the tax are paid, your turn to be afraid
Not longer almost done, oh god, just what have I become?

Your try to fight, it only makes things worse
Screams of agony upon others!
Now you're begging for your life!
BREATHLESS!
All the times I bled my vengeance takes you!

[Chorus]

Your sweetest dreams turn into fears
It's almost done, they're almost gone
Our darkest days, they fade away
It's almost done, they're almost gone

HEY [X4]

[Chorus]

6. Deliver Us From Evil

[Verse 1:]
What's happening to me!?
I'm dying from the inside!
Body hurts too much to feel!
Pressure adds to pain!
Deliver us from evil!
Straying out of sanity!

Why can't you let me be!?
There's nothing else important!
Does my mind mean more to you!?

'cause if I carry on!
Deliver us from evil!
Screaming for your vanity!

[Chorus:]
Will darkness turn to light!?
(WILL DARKNESS TURN TO LIGHT?!)
Can someone wake me from this nightmare?
Here we go, here we go
The tank is empty, let it dry
I'm suffering
A passion ending, so the world ceases turning
The tank is empty, let it dry

So now I hope you see
I'm nothing more than human!
Making plans for enemies!
But here we go again!
Deliver us from evil!
Crawling back to insanity!

[Chorus]

I'm suffering
A passion ending, so the world ceases turning
The tank is empty, let it dry
I'm suffering

What's happening to me? I'm dying from the inside...
Body hurts too much to feel...Pressure adds to pain..
Deliver us from evil...
(From evil..)
Pressure adds to pain...
You're evil, we're evil, I'm evil!

[Chorus]

7. Take It Out On Me

[Featuring Benji Webbe of Skindred]

(OH YEAH!)

[Matt]
I'm always thinking of you
and all the things that you do!
Self-centred satisfaction
no more will I run from you!
Dysfunction, family values
I'll die but I will not fear!
Stop talking words of wisdom
you fool, I'm standing right here!

[Chorus:]
The world is on your shoulders!
the weight is crushing me!
now were all getting older!
TAKE IT OUT! [X4]
TAKE IT OUT ON ME [X4]
TAKE YOUR FRUSTRATION ON ME!

[Benji]
I feel so much destruction
in everything that you do!
Anger is creeping in me
watch out I'll explode on you!
My rage it comes so quickly
one spark and I will ignite!
Self harm and mutilation
cuts deep but the pain feels so right!

[Chorus]

This fire burns inside...
(This fire burns inside...)
There's nowhere left to hide...
This fire burns inside...
(This fire burns inside...)

IT'S WRECKING ME TONIGHT!

[Chorus]

TAKE!
IT!
OUT!

8. Say Goodnight

Heaven's waiting for you
Just close your eyes and say goodbye
Hearing your pulse go on and on and on...

[Chorus:]
I live my life in misery
I'd sacrifice this world to hold you
No breath left inside of me
shattered glass keeps falling
Say goodnight
Just sleep tight
Say goodnight...

Flowers laid out for you
So many colours leave me blind
Seeing your face reflect from our baby's eyes

[Chorus]

[X2]
SO HERE I AM! YOU'RE INSIDE OF ME!
SO HERE I AM! OUR WORLD IS OVER!

[X2]
Here I am With you!
I'm there till the end!
Memories are calling!
So Farewell My Friend
(FAREWELL MY FRIEND!)

9. End Of Days

We're wasting precious time!
The clock is ticking; can you hear the countdown?
With every hour!
Give me the power!
I need the strength to carry on!
on and on!

[Chorus]
No more I care to live! when I'm just born to die!
(WE'RE ALL BORN TO DIE! BORN TO DIE!)
No more I care to live! when I'm just born to die!
(WE'RE ALL BORN TO DIE! BORN TO DIE!)
(NEVER BEFORE! NEVER AGAIN!)
Behold This Travesty!
(NEVER BEFORE! NEVER AGAIN!)
Behold Adversary!

Befriend my enemies!
My pulse is racing; I can hear my heart beat!
Is this the last time
you get to be mine!?
I lack the will to carry on!
on and on!

[Chorus]

NO MORE SORROW!
NO TOMORROW!
I NEVER FELT ALIVE BEFORE!
YEAH!

With every hour...
Give me the power...
I need the strength to carry on...
ON AND ON!

[x5]
No more I care to live! when I'm just born to die!
(WE'RE ALL BORN TO DIE! BORN TO DIE!)

TO DIE!
TO DIE!
TO DIE!!!!!!

10. Last To Know

PICK UP BROKEN BONES!

WHERE'S YOUR STICKS AND STONES!?

What'd you use to hurt me?
SOMETHING YOU SHOULD KNOW;
CANNOT TAKE NO MORE!
TIME TO SETTLE SCORES!
Feel the rage that fuels me!
I WILL NOT GIVE UP!

[Chorus]
Hypocrisy from jealousy...
Hypocrisy from jealousy...
WATCH YOU SCREAM NOW HOLD ON TO ME!
YOUR SMILE, YOU'RE TRIGGERING ME!
Why do you stoop so low!?
Am I the last to know!?
Why do you stoop so low!?
Am I the last to know!?

WHERE'S YOUR BIG MOUTH NOW!?
HOPE YOU'RE FUCKING PROUD!
Do you like your bruises!?
NOW YOU MAKE NO SOUND!
WAS YOUR LESSON LEARNED!?
NOW THE TABLES TURN!
What were your intentions?!
SO COME ON DOWN NOW BREAK!

[Chorus:]

Am I the last to know? [x3]

[Chorus]

11. Forever And Always

(...Forever and always...)

That time is here again
Prepare to be apart
And it drives you crazy!

Each time I go away
The distance gets longer
But it makes us stronger!

[Chorus]
Should it all come crashing down around me!
Would you be there should I stumble or fall?!
...Pick up the pieces...
Whoa-Oh-Oh!
Forget about the shit that we've been through!
I want to stay here forever and always!
Whoa-Oh-Oh!
Standing here in front of all of you!
I want to stay here forever and always!

These days are dead again
It's empty from the start
And it drives me crazy!

The hours drift away
It hurts to remember
This will soon be over!

[Chorus]

[Instrumental w/ clapping]

Forever and always...
(Always...always..always)

[x2]
Forever and always...
Whoa-oh-oh!
Whoa-oh-oh!
Whoa-oh-oh!

Forever And Always...
(Always...always...always)

[All instruments play out till end]

12. No Easy Way Out

[Theme song of Rocky IV, Originally by Robert Tepper]

[Japanese Edition Bonus Track]

We're not indestructible
Baby, better get that straight!
I think it's unbelievable
How you give into the hands of fate!
Some things are worth fighting for
Some feelings never die
I'm not asking for another chance
I just wanna know why!

[Chorus:]

There's no easy way out!
There's no shortcut home!
There's no easy way out!
Giving in can't be wrong!

I don't wanna pacify you
I don't wanna drag you down!
But I'm feeling like a prisoner
Like a stranger in a no-name town!
I see all the angry faces
afraid that could be you and me!
Talking about what might've been
Think about what it used to be!

[Chorus]

Baby, baby we can shed this skin
We can know how we feel inside!
instead of going down this endless road
Not knowing if we're DEAD OR ALIVE!
Some things are worth fighting for!
Some feelings never die! (NEVER DIE!)
I'm not asking for another chance!
I JUST WANNA KNOW WHY!

[Chorus]

(There's no easy way out)
THERE'S NO EASY WAY OUT!
(There's no shortcut home!)
NO SHORT CUT HOME!
(There's no easy way out!)
No easy, No Easy, No Easy Way out!

[Repeat till the end]

13. Ashes Of The Innocent

[limited edition bonus track]

(One, two, three, four...)

Ashes of the innocent
The end for you and me
Darkened screams of agony are begging set me free
Mourning all your loved ones, as their bodies turn to stone
Violence, hate and agony are what we've grown to know

Hold me, show me, bring me to my knees
So as the fire burns and the tables turn, we'll never rest in peace (rest in peace)

Ashes of the innocent
Remind me of the past
Taking scars of victory, the time has passed to fast
Singing broken melodies like shards of broken glass
Ripping through my reverie, these scars will never last

Hold me, show me, bring me to my knees
So as the fire burns and the tables turn, we'll never rest in peace

Hold me, show me, bring me to my knees
So as the fire burns and the tables turn, we'll never rest in peace (never rest in peace)

Ashes of the innocent
The end for you and me
Darkened screams of agony are begging set me free...

Hold me, show me, bring me to my knees
So as the fire burns and the tables turn, we'll never rest in peace (rest in peace)

Hold me, show me, bring me to my knees
So as the fire burns and the tables turn, we'll never rest in peace (rest in peace)
